

Delta Dental of Illinois is pleased to be your dental benefits carrier. Your group plan offers you the dental benefits program: Delta Dental PPO Plus Delta Dental Premier.

## Delta Dental PPO Plus Premier

**On the reverse side of this sheet is a summary of your plan coverage\*.**

**With Delta Dental PPO Plus Premier:**

- You can go to any licensed general or specialty dentist.
- **You will maximize your benefits by receiving care from a Delta Dental PPO or Delta Dental Premier network dentist.**
- Delta Dental's network dentists have agreed to reduced fees as payment in full, which means you will likely save money by going to a Delta Dental PPO or Delta Dental Premier network dentist. Non-network dentists have not agreed to accept our reduced fees as payment in full, which means they may bill you for any charges over our allowed fees.
- You are charged only the patient's share\*\* at the time of treatment. Delta Dental pays its portion directly to network dentists.

## Finding a Dentist

Visit our web site at [www.deltadentalil.com](http://www.deltadentalil.com) and click on Provider Search.

## Example of Your Copayment with Delta Dental Network Dentists and Non-Network Dentists

- Delta Dental PPO: Lowest out-of-pocket costs and network protection.
- Delta Dental Premier: Higher out-of-pocket costs than PPO, but may be lower than non-network and network protection.
- Non-network: You may have the highest out-of-pocket costs.

## Delta Dental PPO Plus Premier Plan Features

Your Delta Dental PPO Plus Premier plan includes the following features:

- **ToGo<sup>SM</sup>**, a feature that allows you to carryover qualified unused portions of your annual maximum to the next year.
- **Enhanced Benefit Program** offers additional coverage for individuals who have specific health conditions (including pregnancy, diabetes, high-risk cardiac conditions, suppressed immune systems, and special needs) that can be positively affected by additional oral health care.

# Finding a Delta Dental PPO™ or Delta Dental Premier® Dentist

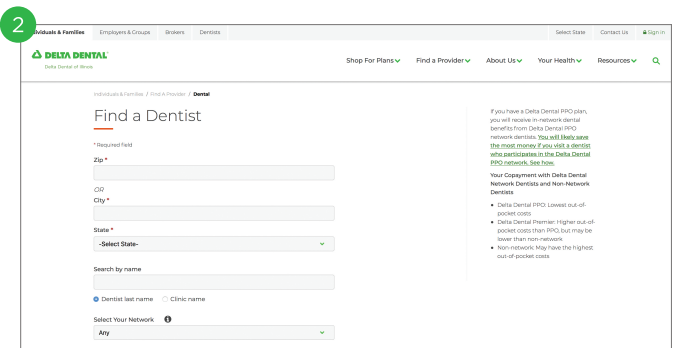

Finding a Delta Dental network dentist is easy. More than 3 out of every 4 dentists nationwide participate in a Delta Dental network. In Illinois, more than 75 percent of dentists participate in a Delta Dental network. You can find a network dentist today by using the Dentist Search on our website or calling our automated phone system.

## Provider Search

1 Go to [deltadentalil.com](http://deltadentalil.com), and select “Find a Provider.” On the following page, select “Dental.”

2 To start your search, you can either enter the location where you want to locate network dentists (search by city/state or ZIP code), or search for a particular dentist or practice by name and ZIP code.

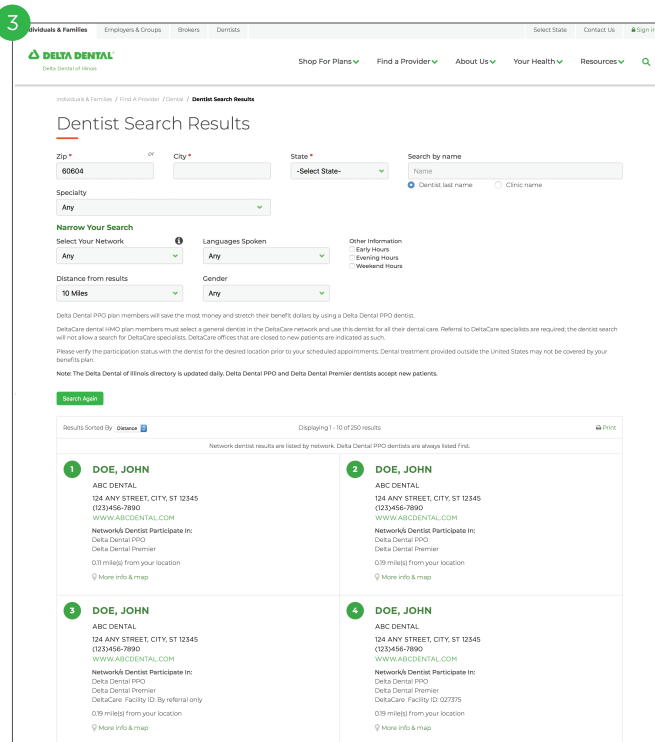

3 Results will automatically display by proximity (within 10 miles from city or ZIP code) and all Delta Dental networks the dentist participates in will be listed. You can change the distance by selecting a new option under the “Distance from results” dropdown menu and clicking “Search Again.”

4 You have the option to save or narrow your search based on the Delta Dental network a dentist participates in. You will save the most if you use a Delta Dental PPO network dentist.

*Any field marked with a red asterisk is a required field.*

5 You can further narrow your search by selecting a specialty (such as orthodontist), languages spoken and gender.

## Automated Phone System

You can also find a dentist through our automated phone system. Delta Dental PPO and Delta Dental Premier members can call 800-323-1743, say “Dentist Directory” and follow the automated instructions.
