ABOUT THE UFD

The Urbana Fire Department (UFD) is a professional career organization responsible for providing emergency fire, hazardous materials, EMT-I level medical services, prevention and public education programs, and various support services. The service area covers the City of Urbana and the campus of the University of Illinois at Urbana-Champaign.

The department boasts 60 full-time personnel, 4 fire stations and an operating budget of \$7.9 million. All fire firefighters, engineers, lieutenants and captains are represented by the International Association of Firefighters Local 1147.

NOTABLE ACCOMPLISHMENTS

- Recently awarded a Class 1 Public Protection Classification (PPC) rating by the Insurance Services Office (ISO).
- Provides Technical Rescue Response for MABAS Division 28, which involves housing all TRT equipment and lead a statewide deployable team with high-angle, confined space, and below-grade rescue capability.
- EMT-I department, guaranteeing advanced-level care on each medical response.
- Facilitates a comprehensive and renowned prevention/education program. This includes hosting special events at schools and in the community, and our Home Fire Life Safety program takes us to every house in the City annually to inspect and install smoke detectors.

The Urbana Fire Department is organized into three functional divisions and around a number of different program groups and project groups. Being team-based provides opportunities to fulfil individual potential and contribute toward the success of the department. The functional divisions of the Fire Department include:

Administration

This division is staffed by the Fire Chief and one Administrative Assistant III. Functions include planning, organizing, coordinating and controlling the services and programs provided by the department. These functions are accomplished by establishing an organizational vision, mission and strategic plan.

Administration is responsible for budget management and control, human resource management, establishing organizational principles and processes, and providing motivation and discipline.

Operations

This division is staffed by three Division Chiefs, three Captains, 12 Lieutenants, 15 Engineers, and 23 Firefighters. The Division Chiefs serve as the shift commanders and each division chief has specific programs they administer.

This division is responsible for providing fire suppression, technical rescue, emergency medical, hazardous materials, and disaster response services. Operations also includes support services such as training, safety and risk management information systems, inventory and supply, maps and pre-fire planning, and special services and programs.

Prevention & Education

This division is staffed by the Fire Marshal, one Prevention and Education Inspector, one part-time Inspector and Firefighters who serve as educators. As the long-term priority, this division conducts fire code enforcement, review and revisions, plan reviews and issues permits as required by the International Fire Code. This division provides public education programs, public information and community relations services. A Fire Explorer program offers mentoring and education to youth interested in a firefighting career.

ABOUT THE CITY

Founded in 1833 and chartered in 1855, the City of Urbana is the seat of Champaign County. Urbana is a home-rule municipality functioning in a mayor-aldermanic form of government. Led by Mayor Diane Wolfe Marlin, the City of Urbana is committed to delivering excellent core services to promote a high quality of life for residents, businesses, and visitors.

Underlying this mission is effective government, a resilient economy, safe and vibrant neighborhoods, and engaged citizens, with pride in our history and excitement for the future. The Urbana City Council is comprised of seven members, with one representative elected from each of the City's wards. Council members and the Mayor serve four-year terms.

Key employment sectors in Champaign County include education, health care, government; manufacturing and distribution; and professional services. The University of Illinois at Urbana-Champaign, Carle Foundation Hospital, Carle Physician Group, Kraft Heinz, Christie Clinic, Champaign Unit 4 School District, Urbana Unit, Urbana School District #116 and OSF Healthcare are among the region's largest employers.

Champaign County is a highly educated and diverse community. More than 70% of our population is college educated, and nearly 20% of those hold a graduate degree or higher. In recent years, Urbana has been cited recognized as one of the most affordable housing markets in the United States; The highly ranked school district, park district, library and award-winning mass transit system also highlight our community's dedication to excellence.

CITY SERVICES

Urbana is a full-service city with seven departments, approximately 277 employees and an operating budget of \$60 million.

City Clerk's Office provides professional records management and legal notice requirements for meetings, serves as clerk to the City Council and assists the County Clerk in conducting elections.

Community Development Services provides programs of economic development, housing, planning, zoning enforcement, and building safety code enforcement.
